Primary Range	Hartland CFX																																																																																		
Insert Type	1 gang RJ12 Outlet - Unshielded																																																																																		
Plate Finish	Hartland CFX Connaught Bronze																																																																																		
Insert Colour	Black																																																																																		
EAN13 Barcode	5017504012977																																																																																		
Commodity Code	85176990																																																																																		
Luckins TSI	398275301																																																																																		
ETIM Class	EC001264																																																																																		
Dimensions (Nominal)	Single: Height = 86.0mm Width = 86.0mm Depth = 5.0mm																																																																																		
Fixing Hole Centres	Box Fixing = 60.3mm Grid Fixing = CFX Clips																																																																																		
Minimum Wall Box Depth	35mm																																																																																		
Switched Poles	N/A																																																																																		
Current Rating	n/a																																																																																		
IP Rating	IP2XD																																																																																		
Contact Gap Minimum	N/A																																																																																		
Earth Terminal Capacity 1	5x1mm ²																																																																																		
Earth Terminal Capacity 2	4 x 1.5mm ²																																																																																		
Earth Terminal Capacity 3	3 x 2.5mm ²																																																																																		
Earth Terminal Capacity 4	1 x 4mm ² Multi-strand																																																																																		
Earth Terminal Capacity 5	1 x 6mm ²																																																																																		
Product Class 1	Must be earthed (ref BS7671 415.2.1)																																																																																		
Ambient Operating Temperature	-5° to +40°C																																																																																		
Recommended Location	Internal Use Only																																																																																		
Maximum Installation Altitude	2000m																																																																																		
Standard/Approval	N/A																																																																																		
EuroFix Additional Notes	Can be used as either RJ11 (4 wires) or RJ12 (6 wires)																																																																																		
Patents and Trademarks	CFX is a Registered Trade Mark No 2398667 Hartland CFX is a Registered Design under Reference Nos. R21 = 3023446 SS2 =3023445																																																																																		
All products listed conform to current British or European standard and the product information is correct at the time of going to press.	All accessories are manufactured under an accredited BS EN ISO 9001 : 2015 Quality Management System.	It is the policy of the company to improve products as part of our development programme. Therefore, we reserve the right to alter designs and dimensions without prior notice.
